Berlin Bible Weeks in English

Every year, there are a few Berlin Bible Weeks (Berliner Bibelwochen) in English and German and with simultaneous interpretation. The Berlin Bible Weeks in English or with English Interpretations are:

the European Bible Week for Christians and Jews, young and old, from all over Europe with lots of singing - taizé and otherwise and a creative approach to bible study.

the European Study Conference for Theology Students (every other year and for students of all denominations) all over Europe - or anywhere in the world. This year we had 13 different nations gathered around or table.

the Bible Week for lay people in the Community of Protestant Churches in Europe (CPCE). „Unity in reconciled Diversity“ is the motto of the over 100 member churches of the CPCE and the basis for this encounter in Berlin.

All these conferences are directed by international teams of volunteers. For four days, 25 to 30 people, theologians and non-theologians, get together to discuss biblical texts as well as contemporary issues and share the diversity of European culture with one another.

If you wish to receive regular information on these international conferences, please let us know and we will be happy to put your name on our mailing list.

Please pass this information on to a friend.
